

INSTALLING QT

Dr. Jörg Mielebacher, mail@mielebacher.de

Downloading Qt SDK

Get Started with Qt

Determine which option is best for you.

Is your application or device being developed for

- ☐ Commercial deployment
- ☒ In-house deployment, private use, or student use
- ☐ Open source distribution under a LGPL or GPL license

Get started

NOTE: There are many aspects of open source licensing to consider. This is just a high level guide and not intended to replace legal counsel.

Downloading Qt SDK

Get Started with Qt

Determine which option is best for you.

Do you intend to distribute your product outside of your organization?

- ☐ Yes
- ☒ No
- ☐ Not sure

Installing Qt

Qt Einrichtung

Welcome to the Qt online installer

This installer provides you the option to download either an open source or commercial version of Qt.

Commercial users: Please log in with your Qt Account credentials.

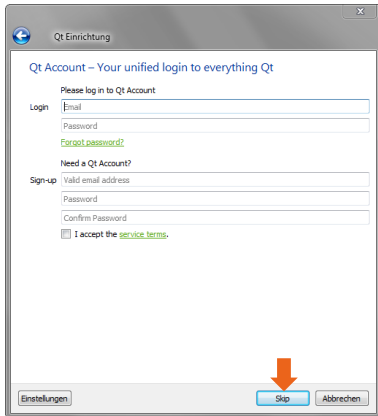

Open source users: You have the option to log in using your Qt Account credentials (e.g. your Qt Forum login). If you don't have a login yet, you have the option to create one in the next step.
